All are welcome, whether or not you have actually attended the Christ Life series. **Marriage Minute ~** After the sacrifice of Lent and the gloom of Holy Week, we can sometimes arrive at Easter like someone who has just finished a dreaded chore. Hooray, we made it! Now, pass the jelly beans. But if this is our approach, the Resurrection of Jesus becomes no more than a happy ending to a scary story, and we miss the gift it can be for our marriages.

The first message of the Resurrection is "Don't be afraid!" This phrase is proclaimed to all who approach the empty tomb, and to us as married people as well. We should not be afraid:

- ... of serious illness, financial or relationship problems. He has conquered even death, so He can bring good out of any evil we face.
- ... of facing our own or our spouse's sin. He loved his disciples after they abandoned Him- He can help us love each other with that same love.
