The Parable of the Good Samaritan

There was a scholar of the law who stood up to test Jesus and said, "Teacher, what must I do to inherit eternal life?" Jesus said to him, "What is written in the law? How do you read it?" He said in reply, "You shall love the Lord, your God, with all your heart, with all your being, with all your strength, and with all your mind, and your neighbor as yourself." He replied to him, "You have answered correctly; do this and you will live."

But because he wished to justify himself, he said to Jesus, "And who is my neighbor?" Jesus replied, "A man fell victim to robbers as he went down from Jerusalem to Jericho. They stripped and beat him and went off leaving him half-dead. A priest happened to be going down that road, but when he saw him, he passed by on the opposite side. Likewise a Levite came to the place, and when he saw him, he passed by on the opposite side. But a Samaritan traveler who came upon him, was moved with compassion at the sight. He approached the victim, poured oil and wine over his wounds and bandaged them. Then he lifted him up on his own animal, took him to an inn, and cared for him. The next day he took out two silver coins and gave them to the innkeeper with the instruction, "Take care of him. If you spend more than what I have given you, I shall repay you on my way back." Which of these three, in your opinion, was neighbor to the robbers' victim?" He answered, "The one who treated him with mercy." Jesus said to him, "Go and do likewise."

K of C Fellowship Sundays ~ July 10, Aug. 7 and Sept. 11 (moved to avoid Labor Day) and Oct. 2nd.

Email Addresses, From the Pastoral Council: Thanks for your responses to our email address project. We are making good progress, however we have lots of work to do. Each parishioner will be identified with an Affiliation Code or codes to identify the various church functions that individual is associated with, such as lector, musician, garage sale worker, Legacy Society member, etc—so as to easily be able to contact parish members with info/requests that pertain to that group of people associated with the respective function so noted. Whew! We will obviously be testing this once we gather more email addresses. Your continued acceptance of and cooperation with this endeavor is appreciated.
