### Background on the today's Gospel Reading, Luke 17: 5-10

In today's Gospel we hear Jesus teach about faith and service to God. The context is a continuing dialogue between Jesus and his followers about what it means to be a disciple of Jesus. Jesus has just finished an instruction on sin and forgiveness. There are two related teachings that Jesus offers to his disciples when they cry out for an increase in faith. The first is the familiar reminder that faith, even just a little, will enable the followers of Jesus to do wondrous things. But this uplifting and inspiring teaching is quickly followed by the second teaching, a caution about knowing one's place in God's plans. The disciples of Jesus are to understand themselves as servants to God and his plans. Even when God works wonders through us, with our mustard seed-sized faith, we must not seek praise. Our participation in God's plans is God's grace to us—nothing more, nothing less. When we are graced enough to cooperate with God, the work we do is nothing more than our obligation to God as faithful stewards. And yet, our faith enables us to believe that what we have offered in service to God, as his servants, can be made to produce a hundredfold.

**Marriage Minute ~**

“Thanks Mom!” Few things are more pleasing to a parent’s ear than hearing sincere gratitude pour forth from the lips of a child. While it probably does not happen as often as it should, it is heart-warming when it does. In this Sunday’s Gospel, we hear the familiar story of the grateful Leper who returns to give thanks to Jesus who heals him. In the busyness of our families, it is easy to overlook the importance of thanking God for his many blessings. Gratitude is the beautiful fabric that weaves the blanket of love that fills the family with joy. Take time in prayer to reflect:

- What three things are you most grateful for in your spouse?
- In your children?
  - In your in-laws?
  - In your employer?
  - In your parish priest?
  - In yourself?
  - In your circle of friends?
