The Parable of the Wedding Feast

Jesus again in reply spoke to the chief priests and elders of the people in parables, saying, "The kingdom of heaven may be likened to a king who gave a wedding feast for his son. He dispatched his servants to summon the invited guests to the feast, but they refused to come. A second time he sent other servants, saying, 'Behold, I have prepared my banquet, my calves and fattened cattle are killed, and everything is ready; come to the feast.'" Some ignored the invitation and went away, one to his farm, another to his business. The rest laid hold of his servants, mistreated them, and killed them. The king was enraged and sent his troops, destroyed those murderers, and burned their city. Then he said to his servants, 'The feast is ready, but those who were invited were not worthy to come. Go out, therefore, into the main roads and invite to the feast whomever you find.' The servants went out into the streets and gathered all they found, bad and good alike, and the hall was filled with guests. But when the king came in to meet the guests, he saw a man there not dressed in a wedding garment. The king said to him, 'My friend, how is it that you came in here without a wedding garment?' But he was reduced to silence. Then the king said to his attendants, 'Bind his hands and feet, and cast him into the darkness outside, where there will be wailing and grinding of teeth.' Many are invited, but few are chosen."

The Life of St. Teresa of Jesus, of The Order of Our Lady of Carmel

Saint Teresa of Avila

Readers interested in basic Christian mysticism need look no further than Saint Teresa of Avila. Theresa expresses in beautiful language her deep relationship with God, and her words of wisdom and ever-hopeful outlook have inspired Christians everywhere for centuries. The Spanish Carmelite nun's autobiography provides a perfect entrance point to the world of mental prayer. She begins her story with tales of her childhood in the early 1500s--the death of her mother, how she became a nun, and the hardships of her life including illness and a period of "luke warmness" during which she ceased to pray. St. Teresa also relates the vision and instructions she received from God later in her life. This book also contains St. Teresa's writings on the four states of mental prayer. In the first stage, believers learn to pray. In the second, they experience the supernatural aspect of prayer. In the third, the soul is bathed in the pleasure of God's presence, and in the fourth, senses are abandoned in a sort of out-of-body experience where the soul feels only divine union. This book also contains a series of "relations," letters she send to colleagues giving further thoughts of her beliefs. St. Teresa's warm and personal descriptions of union with God provide a wonderful and accessible starting point for engagement in her life and theology of mysticism.
