The Parable of the Persistent Widow

Jesus told his disciples a parable about the necessity for them to pray always without becoming weary. He said, "There was a judge in a certain town who neither feared God nor respected any human being. And a widow in that town used to come to him and say, 'Render a just decision for me against my adversary.' For a long time the judge was unwilling, but eventually he thought, 'While it is true that I neither fear God nor respect any human being, because this widow keeps bothering me I shall deliver a just decision for her lest she finally come and strike me.' "The Lord said, "Pay attention to what the dishonest judge says. Will not God then secure the rights of his chosen ones who call out to him day and night? Will he be slow to answer them? I tell you, he will see to it that justice is done for them speedily. But when the Son of Man comes, will he find faith on earth?"

Marriage Minute ~

Are you or someone you know facing a serious struggle? It could be at home or at work. It could be your spouse, one of your children, or a friend.

We learn three important lessons from Moses in this week’s first reading from Exodus. 1. Moses is not afraid to confront the battle. 2. Moses relies primarily on prayer to overcome the battle. 3. Moses is not afraid to accept help to win the battle. In the daily struggles of marriage and family life, it is important to take the same approach. Recognize and confront your battles, rely on prayer, and ask for help if needed!

- What is the biggest battle your spouse faces?
- What is the biggest battle you face today?
- What is the biggest battle your children face today?
- What time have you set aside to bring these situations to prayer?
- Who can you ask for help to support you in your family’s battles?
- Which family can you help in their struggle?
