Denunciation of the Scribes and Pharisees

Jesus spoke to the crowds and to his disciples, saying, “The scribes and the Pharisees have taken their seat on the chair of Moses. Therefore, do and observe all things whatsoever they tell you, but do not follow their example. For they preach but they do not practice. They tie up heavy burdens hard to carry and lay them on people’s shoulders, but they will not lift a finger to move them. All their works are performed to be seen. They widen thjeir phylacteries and lengthen their tassels. They love places of honor at banquets, seats of honor in synagogues, greetings in marketplaces, and the salutation ‘Rabbi.’ As for you, do not be called ‘Rabbi.’ You have but one teacher, and you are all brothers. Call no one on earth your father; you have but one Father in heaven. Do not be called ‘Master’; you have but one master, the Christ. The greatest among you must be your servant. Whoever exalts himself will be humbled; but whoever humbles himself will be exalted.”

Matthew 23: 1-12

Marriage Minute ~

Do you have unrealistic expectations about what marriage is supposed to be like? Of course we have a right to expect certain things from our spouse, such as time, attention, affection and help. But we can get into trouble when we expect things that aren't reasonable. For instance:

- You expect that he can fix things (because your dad did).
- You expect her to keep the house as clean as she did before you had 3 kids.
- You expect your spouse to react the way that you would, even though he is a totally unique person!

These expectations "tie up heavy burdens" for our spouses to shoulder. Many of our marriage enrichments teach skills that help spouses approach these expectations in a healthy way. Sign up today at www.JoyfulMarriageProject.com.

National Vocation Awareness Week, 5th thru the 11th

God has called each one of us to holiness and to a vocation as either a single person, married, or a special call to be a priest or religious brother or sister. One of the most important things we can do is seriously discern what God is calling us to do with our life, because when we follow that path we will be the most fulfilled. Parents, friends, and relatives can play a crucial role in supporting a person in their discernment. If you know a young person who has the qualities and character that you see in priests or religious, let them know! Tell them you will pray for them. Perhaps that is the confirmation they need to explore their vocation. God's call is not silent, but often we are not listening.
