BAPTISMS You must be registered in one of the above parishes or have the permission of the pastor where you live. Required preparation classes are held monthly for both parents and godparents. They are encouraged to attend prior to the birth of the child. Please contact Peg at the office, 437-2408, ext. 8, for further information.

MARRIAGE You must contact the pastor **at least six full months** prior to the desired date of marriage and before making any other arrangements. Please contact the church office for a copy of the up-dated wedding policy or view online at www.marytownyouth.com.

Registering In Your Parish

If you are 18 years of age or older, and live in the parishes of Immaculate Conception/Holy Cross or St. Stanislaus, please make sure you register at the appropriate parish office. This will be important if you are asked to be a sponsor for a Confirmation, or a godparent for a Baptism, or if you plan to be married in any of those churches. Most parishes require a letter from your pastor stating that the person is a registered and active parishioner in their home parish. Obviously that is difficult to do, unless the person has registered already. Most parishes also have discounted rates for hall rentals, priority for church use, etc., for those who are their own parishioners... only makes sense.

Camp Kateri Tekakwitha Opportunities ~

For those interested in participating in one of the many excellent Catholic camp opportunities, please check out the Archdiocesan website for further information.

Communion Under One Species

The practice of the universal Roman Catholic Church is to receive the Eucharist under only one species. There are a couple of documents which state that it is possible to receive both species. There are certain documents which prefer the people to receive both species. However, in traveling throughout the Church, it becomes obvious that the practice of receiving the Eucharist under both species is not a widespread reality. Early in the Church's history, it was declared that nothing was lacking in receiving the fullness of our Eucharistic Lord, body and blood, soul and divinity, by receiving the Eucharist in the Precious Body only. To think we are somehow "missing out" by not having both species is a faulty understanding of the Eucharistic mystery. Also, unfortunately, people will say, "So, Father, when are we going to have *the wine?*" The Precious Blood is a precious gift to the Church and should not be referred to so casually. After much reflection, thought, prayer, and consultation with other priests throughout the archdiocese, we will continue to have Holy Communion available under one species.

~ How To Get To Heaven ~

The Sunday School teacher asked her class of seven-year-olds, "If I sold my house and my car, had a big garage sale and gave all my money to the church, would that get me into Heaven?"

"No!" answered the children.

"If I cleaned the church every day, mowed the yard and kept everything neat and tidy, would that get me into Heaven?"

Again, they answered, "NO!"

"Well, then, if I was kind to animals and gave candy to all the children, and loved my husband, would that get me into Heaven?"

Again, they all answered, "NO!"

Perplexed, the woman continued, "Then how can I get into Heaven?"

Johnny shouted out, "YOU GOTTA BE DEAD!"
