Totus Tuus ~ Starts This Week!!!

Totus Tuus is a Catholic youth program dedicated to sharing the Gospel and promoting the Catholic faith through catechesis, evangelization, Christian witness, and Eucharistic worship. The goal of Totus Tuus is to help young people grow in the understanding of, and strengthen their faith in, Jesus Christ. It is only by establishing a real and personal relationship with Him that we can be led to the love of the Father in the Spirit and so be made sharers in the life of the Holy Trinity. "I am the way, the truth and the life. No one can come to the Father except through me" (John 4:16). Totus Tuus strives to bring our faith to life by creating a balance between knowledge of the meaning of the Sacraments and an authentic Sacramental life.

Totus Tuus seeks to foster openness to vocations in the young people we serve as well as among the teachers. This is accomplished by placing special emphasis on the importance and necessity of prayer, Eucharistic devotion, and Marian devotion, in addition to catechetical instruction and formation in the Catholic faith.

Answers To Some Commonly Held Questions ~ From time to time, I will put answers to some commonly held questions about the Catholic faith. Hopefully this will help to provide some guidance, teaching, and general information throughout the year on some of the Church's teachings and tradition on various topics.

Full Question ~ What is the difference between an apologist and a theologian? I've been told that an apologist doesn't have to be a theologian, and I don't understand why not.

Answer ~ As a somewhat rough analogy, the difference between an apologist and a theologian is like the difference between a science teacher and a scientist: Just as a science teacher explains science and a scientist develops human understanding of science, an apologist explains and defends what is known about the faith, while a theologian explores the faith and seeks to expand upon what is known about the faith. What that can mean in practical terms is that while a theologian should be prepared to act as an apologist, an apologist need not be a theologian.
